**VETERINARIAN-CLIENT-PATIENT RELATIONSHIP**

We have highly skilled pharmacists on staff daily, ready to efficiently fill your prescriptions.

To write your prescription, we can use your current veterinarian through a VCPR or provide consultation through our veterinary partner, Deluxe Veterinary Services, ensuring you receive the best care for your livestock.

## 840 EID TAGS

As a distributor of USDA 840 tags, we are able to provide high-quality tags that meet USDA standards. These tags are durable and reliable, ensuring your livestock are properly identified and tracked.

We also offer customizable tags; number series and different tag color options. Drop us a line for more details.

## REACH OUT TODAY

We offer a full line of vaccines, antibiotics, calf electrolytes, vitamins, OB equipment, syringes, needles, ear tags, paint sticks and sprays, dewormers, fly and rodent control, boots, gloves, apparel and more! If we don't have it on hand, don't hesitate to ask. We are happy to order it in.
